

Sunny was sitting by the
creek, watching the
water, when something

And the body — oh, the
body. A long, bright
needle of blue-green,

Stopped. Darted back.
Hovered again. It moved
in a way that Sunny's

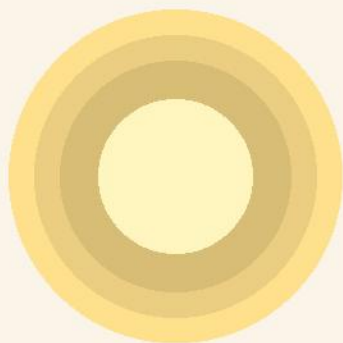

One instant it was here,
the next it was there, as
if the space between two

Then it was gone again,
up and out over the
water. Sunny sat very

He felt, very quietly,
like he had seen
something important.

Sweet dreams!

See you next time, little one ☐
