

Sunny almost walked past
it. She had been looking
at the branch — really

The stick insect had six
legs, each one as thin as
a thread. Its body was

It did not move. She did
not move. They stayed
like that — Sunny

She thought: it knows
exactly how to rest. It
has learned to be so calm

Maybe she could learn
that too. Be so still the
world goes quiet. The

Goodnight, Sunny.
Goodnight, stick insect.
Goodnight, little one.

Sweet dreams!

See you next time, little one ☐
