

Sonny's Cozy Quokka

Bedtime Tales

Snuggle in,
dream big,
and let the
adventure
begin!

It was a still night in
the bush, and Sunny
couldn't sleep. He lay on

Boo-book. Soft. Low.
Twice. Boo-book. Sunny
sat up

He looked into the
darkness of the trees,
but he couldn't see

A small owl, barely
bigger than Sunny's head,
watching the night with

Boo-book, said the owl,
very quietly, as if it
was just making

At home in the nighttime
in a way that Sunny
envied just a little.

Sweet dreams!

See you next time, little one ☐
