

Two eyes in the dark.
Sunny almost didn't see
them — just a pair of

Slowly, she made herself
as quiet and small as she
could. The eyes watched

Then the whole face — and
what a face. Enormous
dark eyes, small round

A very small, very shy
quoll. Sunny did not
reach for it. She did not

The quoll crept a little
closer. Then stopped. Its
nose twitched again.

Sunny felt her heart do
something warm. They
stayed like that — Sunny

Sweet dreams!

See you next time, little one ☐
