

When the sun slips away,
the valley begins to fill
with mist. Sunny the

The mist came slowly. So
slowly. It crept along
the ground like a sleepy

Sunny watched it come.
She did not move. She
just stood very quietly

The mist rose a little
higher. It touched the
tips of the grasses. It

Sunny took one small step
forward. The mist wrapped
gently around her paws.

Sunny's eyes grew heavy.
She rested her cheek on
her paws. The valley was

Sweet dreams!

See you next time, little one ☐
