

Sonny's Cozy Quokka

Bedtime Tales

Snuggle in,
dream big,
and let the
adventure
begin!

The branches gave way.
Sunny had been pushing
through a dense curtain

No tracks, no signs that
anyone had been here
before. Moonlight fell

She walked slowly to the
centre. The wattle walls
surrounded her on all

She thought: this is mine
for tonight. Not mine to
keep — the bush doesn't

She sat down. The secret
garden held her. Close,
sweet, perfectly her

Goodnight, Sunny.
Goodnight, secret garden.
Goodnight, little one.

Sweet dreams!

See you next time, little one ☐
