

Sonny's Cozy Quokka

Bedtime Tales

Snuggle in,
dream big,
and let the
adventure
begin!

Sunny was sitting near
the wattle bush when he
heard it. A low, steady

It was round and fuzzy
and absolutely focused on
its work. Sunny watched

It never stopped. It
never looked around. It
was utterly absorbed in

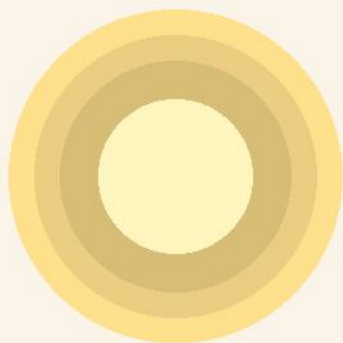

The bee didn't seem
worried, or hurried, or
uncertain. It just knew

He could see the tiny
golden pollen baskets
packed on its legs. He

He found a patch of warm
ground near the wattle
and lay down in the

Sweet dreams!

See you next time, little one ☐
