

Sonny's Cozy Quokka

Bedtime Tales

Snuggle in,
dream big,
and let the
adventure
begin!

It was twilight in the
bush, and Sunny was
sitting very still,

Very far away. Coming
from somewhere beyond the
ridge, beyond the tall

Sometimes it sounded like
a single note held for a
very long time. Sometimes

It came and went with the
breeze. Sometimes clear,
sometimes almost gone,

All the things that make
music — wind in a hollow
log, frogs on a distant

It was enough to sit here
and hear it, faint and
sweet, floating across

Sweet dreams!

See you next time, little one ☐
