

The fog was just ahead.
Sunny could see it from
the top of the small rise

It happened gradually.
The edges first — wisps
of cool, damp air around

The world shrank.
Everything beyond three
steps disappeared. The

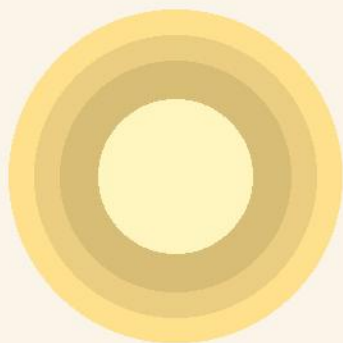

She stopped and turned in
a slow circle. She was in
the middle of a small,

Just the fog, close and
kind, like being inside a
cloud. Everything sound

The fog tasted of water
and earth and cold air.
She walked a few steps

Sweet dreams!

See you next time, little one ☐
