

Sonny's Cozy Quokka

Bedtime Tales

Snuggle in,
dream big,
and let the
adventure
begin!

The sky was turning deep
and dark, and the first
stars were blinking

Then something moved near
the base of an old gum
tree. A tiny nose

It was a bilby. A tiny,
perfect bilby, barely
bigger than Sunny's paw.

Sunny held very still.
She did not want to scare
the little bilby away.

Sunny watched in wonder.
She could almost feel the
quietness of the bush

Satisfied and calm, she
tucked herself back into
the warmth of her burrow,

Sweet dreams!

See you next time, little one ☐
