

AI Prompt Pack: 50 Side-Hustle Prompts

50 battle-tested prompts for ChatGPT, Claude, or Gemini, organized by side-hustle workflow stage.

Price: **\$19**

Sales blurb:

Stop staring at a blank chat box. These 50 prompts cover the actual workflow of building a side hustle — niche research, copy, sales calls, customer onboarding, support, content. Paste, replace the brackets, ship. Tested with GPT-4, Claude Sonnet/Opus, and Gemini.

3-bullet description: - 50 prompts across 8 categories — niche, offer, sales, content, ops, support, growth, finance - Works with any modern LLM (ChatGPT, Claude, Gemini, etc.) - Each prompt has variables in [BRACKETS] for fast customization

How to use

1. Copy the prompt.
 2. Replace every [BRACKET] with your specifics.
 3. Paste into your LLM of choice.
 4. Iterate — these are starting points, not finished outputs.

1. Niche & validation (1–6)

1. Niche pain finder

Act as a market researcher. I have these skills: [SKILLS]. List 10 underserved customer segments who would pay \$500–\$5000 for help with these skills. For each, give: who they are, the painful problem, and where they hang out online.

2. Reddit pain mining

Search behavior: I want to find real pain points in [NICHE]. Generate 25 Reddit search queries that would surface posts where someone is asking for help and would likely pay for it.

3. Competitor map

List 10 freelancers or small agencies serving [NICHE] . For each, infer their pricing, what they offer, and one gap in their offer. Output as a markdown table.

4. Buyer interview script

I'm interviewing potential buyers in [NICHE] . Write a 12-question script that uncovers: their current pain, what they've tried, their budget, decision authority, and timeline. Avoid leading questions.

5. Niche disqualifier

Critique this niche choice: [NICHE + OFFER] . List 5 reasons it might fail in 2026 and 3 reasons it might work. Be brutal.

6. Niche pivot

My current niche is [CURRENT] and it's not working. Suggest 5 adjacent niches that use the same skills but reach buyers with more budget and less competition.

2. Offer design (7–13)

7. Offer one-liner

Convert this messy offer description into a clean one-liner: "I help [WHO] achieve [OUTCOME] in [TIME] without [PAIN]." Description: [YOUR DESCRIPTION] .

8. Outcome ladder

For my offer [OFFER] , list 5 outcomes from low-stakes to high-stakes that a buyer might want. Suggest a price for each.

9. Productize a service

Turn this hourly service into a productized package with a fixed price and scope: [SERVICE] . Output: name, deliverables, price, timeline, what's NOT included.

10. Tiered pricing

Build a 3-tier pricing structure (Basic / Standard / Premium) for [OFFER] . Include what's in/out of each tier and price anchors.

11. Risk reversal

Write a guarantee for [OFFER] that removes buyer risk without exposing me to abuse. Include the conditions clearly.

12. Bundle generator

I sell [PRODUCT A] for [\$X] and [PRODUCT B] for [\$Y]. Suggest a bundle price and a sales argument for why buying together is the right move.

13. Anti-objection list

List the top 7 objections a buyer might have for [OFFER]. For each, write a one-paragraph rebuttal.

3. Sales copy (14–22)

14. Landing page hero

Write a landing page hero for [OFFER]. Format: headline (max 10 words), subheadline (max 20 words), CTA button text (max 4 words). Tone: confident, specific, no jargon.

15. Long-form sales page

Write a 1200-word sales page for [OFFER] priced at [\$X]. Include: hero, problem, agitation, solution, proof (placeholders), how it works, FAQ, guarantee, CTA. Use second-person.

16. Hook variations

Write 10 hooks for [OFFER] aimed at [BUYER]. Mix: question, contrarian, statistic, story, "imagine if."

17. Cold DM

Write a 3-sentence cold DM from me to [BUYER PROFILE] about [OFFER]. No "hope you're well," no flattery, no link in first message.

18. Cold email

Write a cold email under 90 words to [BUYER PROFILE] offering [OFFER]. Subject line should not look like marketing. End with a low-friction ask.

19. Twitter thread

Write an 8-tweet thread teaching [VALUABLE INSIGHT IN MY NICHE] . Last tweet softly pitches [OFFER] . No emojis except for one in the hook.

20. LinkedIn post

Write a LinkedIn post (~250 words) sharing a lesson I learned about [TOPIC] . Tone: matter-of-fact, no humble brag. End with a question.

21. Case study draft

Turn this raw client win into a polished case study: [RAW NOTES] . Include: situation, action, result, quote (placeholder), what to do next.

22. Headline tester

Critique these 5 headlines for [OFFER] and rank them by predicted CTR. Tell me why.
Headlines: [LIST] .

4. Content & traffic (23–29)

23. TikTok script (30s)

Write a 30-second TikTok script teaching [INSIGHT] . Hook in first 2 seconds, payoff at 25s, CTA at 28s.

24. YouTube short

Write a YouTube Shorts script under 50 seconds about [TOPIC] . Visual cues every 5s. Subtle CTA to subscribe.

25. Newsletter issue

Write a 600-word newsletter for [NICHE] with one big idea, two examples, and one actionable takeaway.

26. Carousel post (Instagram/LinkedIn)

Outline a 7-slide carousel teaching [INSIGHT] . Slide 1 = hook, slide 7 = CTA. Each slide gets a 1-sentence headline + 2 bullets max.

27. Blog SEO outline

Outline a 1500-word blog post targeting the keyword **[KEYWORD]** . Include H1, 5 H2s, FAQ section with 5 questions, and an internal link map.

28. Hashtag research

Suggest 30 hashtags for TikTok/Instagram in **[NICHE]** , split into: 10 broad (>1M posts), 10 medium (100K–1M), 10 niche (<100K).

29. Repurposing matrix

Take this long-form piece: **[CONTENT]** . Repurpose into: 1 Twitter thread, 1 LinkedIn post, 3 TikTok hooks, 1 newsletter intro, 1 quote graphic copy.

5. Sales calls & ops (30–35)

30. Discovery call script

Build a 25-minute discovery call script for prospects considering **[OFFER]** . Sections: rapport (2 min), problem dive (10 min), goal clarification (5 min), fit check (5 min), next step (3 min).

31. Proposal template

Write a 1-page proposal for **[CLIENT]** for **[PROJECT]** at **[\$X]** . Include: scope, timeline, deliverables, payment terms, what's not included.

32. Onboarding email

Write a welcome email for a new client of **[OFFER]** . Include: confirmation of payment, what happens next, how to contact me, expected timeline.

33. Project kickoff form

Generate 10 questions to ask a new **[OFFER]** client during onboarding. Skip generic questions; focus on what unblocks delivery.

34. SOP writer

Write a step-by-step SOP for **[REPETITIVE TASK]** so I (or a future hire) can do it in under 30 minutes without thinking.

35. Deliverable QA checklist

Create a 12-point QA checklist I run before sending **[DELIVERABLE]** to a client.

6. Support & retention (36–40)

36. Refund policy writer

Write a fair refund policy for `[OFFER]` priced at `[$X]` . Cover: window, conditions, what's non-refundable.

37. Tough customer reply

Draft a reply to this unhappy customer message: `[MESSAGE]` . Tone: calm, ownership, propose a concrete fix.

38. Upsell email

Write an upsell email to a customer 30 days after they bought `[PRODUCT A]` , offering `[PRODUCT B]` . Tie it to the result they got from A.

39. Win-back email

Write a re-engagement email to a customer who hasn't bought from me in 6 months. Lead with curiosity, not desperation.

40. NPS follow-up

Generate a 5-question follow-up survey for someone who rated my service 7+ on NPS. Goal: extract a usable testimonial.

7. Growth (41–45)

41. Affiliate pitch

Write a 100-word pitch to ask `[CREATOR]` to be an affiliate for `[OFFER]` . Lead with what's in it for them.

42. Partnership intro

Write an email proposing a content/affiliate partnership with `[COMPLEMENTARY BRAND]` . Include 3 specific collaboration ideas.

43. Pricing experiment plan

Design a 4-week pricing experiment for `[OFFER]` testing `[PRICE A]` vs `[PRICE B]` . Define success metrics.

44. Referral system

Design a customer referral system for [OFFER] . Include: incentive for referrer, incentive for new buyer, how to track, how to communicate it.

45. Retainer pitch

Convert this one-off project into a monthly retainer pitch. Project: [DESCRIPTION] . Output: scope, monthly price, what triggers an upgrade.

8. Finance & boring stuff (46–50)

46. Invoice template

Write a freelance invoice for [CLIENT] , project [NAME] , amount [\$X] . Include: my info, their info, line items, payment terms (Net 14), late fee policy.

47. Tax check-in

List the top 10 tax mistakes a side-hustler in [COUNTRY] makes in their first year, and how to avoid each. (Not legal advice — disclaimer).

48. Financial model

Build a simple monthly financial model for my side hustle: [CURRENT STATE] . Include: revenue projections, costs, time investment, breakeven point.

49. Quit-job math

Help me calculate at what monthly side-hustle revenue I could realistically quit my full-time job. My expenses are [\$X/month] . Account for healthcare, taxes, runway.

50. End-of-quarter review

Run an end-of-quarter business review with me. Ask me 8 questions covering: revenue, customer count, churn, time spent, biggest unblock, biggest mistake, next quarter goal.
